### CLASSIQUE BRUT TURNAU

249 Zł

Country: Poland

The wine was created by a unique method of second fermentation in the bottle, which is also called the traditional method. This is how sparkling wines in the Champagne region are made. Classique Brut is a specific combination of finesse and classic. The combination of the three grape varieties is responsible for the presence of a fruit orchard in the nose. Tempting, vibrating sparkling brings citrus refreshment, and the delicate chalk background gives the wine an impression of salty. The whole is finished with a creamy finish, followed by a crunchy early apple flavor. Ripened and produced in the family's Turnau Vineyard.
